

Chattanooga Central High School Athletic Hall of Fame Selection Criteria

1. An application should be obtained from the Central High Alumni/Supporters Association website and sent in as soon as possible with accurate information. (See attached nomination form)
2. Nominations by application will be considered first for accuracy, and will include the level of success in sports at Central and also in the college and pro ranks and have demonstrated good character as a favorable reflection on Central High School. Good high school athletes without college or professional experience will eventually be considered for selection.
3. The committee will attempt to verify the information listed on each application so the full address, phone number, email and website should be included in case it is necessary to contact the nominator for additional information or explanation as to why they were or were not selected.
4. The committee will then seek other nominations from others and/or collectively seek other candidates that meet the criteria.
5. Diversity and balance between Dodds Avenue and Highway 58 will be sought if possible but without reduction in the quality of the potential inductees into the Central Sports Hall of Fame.

If you have questions please feel free to contact the following committee members by email:
